

CURB FOX 2000

► THE ECONOMICAL SLIPFORMER FOR A WIDE RANGE OF CURBING APPLICATIONS ◀

VERSATILE:

Slipforms curb up to 14 in/35 cm high, and curb and gutter up to 24 in/60 cm wide. Operates either manually, or with optional automatic controls. Turns radii on curb down to 18 in/46 cm, and on curb and gutter down to 48 in/1.2 m.

Paves curbs with or without steel reinforcement, and free standing sections or adjacent to existing pavement.

EFFICIENT:

Completes jobs quickly, and at a very economical price. Due to its compact size, the Curb Fox 2000 is very easy to transport, even for small jobs.

SMART:

Avoids embarrassing breakdowns with puncture-proof, foam-filled tires on the front and rear. Wastes no time between runs with a travel speed of over 50 fpm/15 mpm.

SIMPLE:

Minimizes operator training time with simplified controls. Spend less time learning and more time paving profitably.

FAST:

Completes jobs quickly and minimizes handwork. Paves small curbs at speeds up to 35 fpm/11 mpm, and curb and gutter at speeds of 5-10 fpm/1.5-3 mpm.

CURB FOX 2000 SPECIFICATIONS

DIMENSIONS:

Offset – Length: 100"/254 cm	Width: 60"/153 cm
Height: 64"/160 cm	Weight: 2000 lb/909 kg
Center – Length: 100"/254 cm	Width: 60"/153 cm
Height: 70"/175 cm	Weight: 2250 lb/1023 kg

POWER:

Standard – 18 hp. V-twin gas engine.
Option – 24 hp., 3 cylinder, diesel engine.

HYDRAULICS:

Main pump rated at 14 gpm/52.92 lpm standard,
20 gpm/75.7 lpm optional. 3"/8 cm x 12"/30 cm cylinders
for elevation, 2.5"/64 mm x 12"/30 cm cylinder for steering.

CONTROLS:

Manual hydraulic controls for elevation cylinders. Steering by
manual handle. Optional electronic-over-hydraulic automatic
controls for steering, elevation and slope.

CAPABILITIES:

Curbs up to 14"/35 cm high and 12"/30 cm wide in the
offset position, and curb and gutter up to 24"/60 cm wide
and up to 12"/30 cm high in the center position.

WHEELS AND TIRES:

20.5"/52 cm diameter, foam-filled, front drive wheel.
16"/40 cm diameter rear tires, also foam-filled.

CAPACITIES:

Fuel - 10 gallon/37.85 liter. Hydraulic - 20 gallon/75.7 liter.

We reserve the right to make design improvements and/or changes in specifications at any
time without notice and without incurring any obligation related to such changes.
